

OUR MISSION

First United Methodist Church's Joyful Noise Preschool creates an environment where children can find love and security while learning about God and His Son, our Savior, Jesus Christ.

OUR PHILOSOPHY

Each child is specially created by God. Our purpose is to create an enriching environment that will help children develop their self-worth and become the special person that God intended them to be.

First United Methodist Church's Joyful Noise Preschool admits all children of appropriate age regardless of race, color, nationality, ethnic origin, and religion.

OUR PROGRAM

The program at Joyful Noise Preschool gives children positive play and preschool experiences. Maximum class sizes are 2 yr. olds = 10; 3 yr. olds = 14; 4 yr. olds = 15. To be eligible, a child must be two, three, or four years old **by** Sept. 1, 2011. Children develop social skills through sharing, helping, playing cooperatively, responding to directions, participating in group activities, etc. Prayer, Bible stories, and Bible verses are an integral part of the program. Physical exercise and music enhance gross and small motor development. Opportunities to develop language, pre-reading, number readiness, and science-thinking are included.
